Great
Job!

For Employee: Mr. Dibyajyoti & Team

Client: Mr. Viji Tyagarajan, MD & CEO of Genpact

Job: relocation from New Delhi to New York

"It has been an absolute pleasure working with Interem. Our requirements were more than the standard packing and delivery - we needed items to be picked up from different locations; we needed packing to be segregated into and stored in three separate categories; and we required items to be put into and removed from storage a few times. All of this was coordinated perfectly and executed flawlessly by the Interem team. Customer service was simply brilliant. They were always available when we called, they carried out our requests accurately and on a timely basis and we were kept informed constantly of the progress of the shipment. We have relocated 12 times over the last 25 years. This, by far, has been the smoothest move to date - which is even more commendable, considering that our requirements were more than routine. Thank you, Interem."

For Employee: Mr. Menon Parameswaran & Team

Client: LG CNS India Pvt. Ltd.

Job: office relocation Bangalore

"We, LG CNS have used the services of M/S INTEREM to relocate our office to new premises in the month of Oct 2011; we appreciate their professionalism and are extremely satisfied with their positive approach towards completing the relocation within the defined timelines. We wish them all the very best in their future endeavours."

For Employee: Mr. Dibyajyoti & Team (Melinda & Operations)

Client: Mr. Vincent Caron, Supply Chain Director at Alstrom

Agent: New World International Europe- Elwin Bacas

Job: 3 import moves 1 air, 2 sea, from China & France to New Delhi

"Dear Albert & Rahul, I just want you to know that with DJ Paramanik you have a valuable member in your team. He has done a great job for me with the 3 complicated moves of Mr. Vincent Caron. DJ has did his utmost to organize customs clearance and delivery smoothly and has always kept me updated. Kind Regards, Elwin"

For Employee: Mr. Dipankar Chatterjee-Kolkata office

Shipper: Prasenjit Sengupta-Earth Relocation
